

SEQUOYAH SUMMERHOUSE

9 Weeks of Summer Fun!

Astronomy to zoology, cooking with friends to playing your favorite game... and more!

Summerhouse offers adventures and activities for ages 5 – 15 in an open framework of daily activity choices. A haven for student discovery, Summerhouse provides myriad opportunities for learning and exploration through play, creative activities, and sustained goal-oriented projects.

- Groups of 8-10 students paired with a Crew member.
- Circles – morning and afternoon gatherings to share songs, present work, and play games
- Free-choice activities open throughout the day
- Sustained, goal-oriented projects
- Morning and afternoon snacks provided

How does it work?

Our flexible drop-in schedule conveniently allows you to choose which days your child attends, so you can work around vacation plans. You purchase and use Day Passes for just the days your child attends. Passes are purchased online when you register. The more you purchase at one time, the less the cost per day.

Open to the entire community.

Our program typically includes a mix of students from schools in Los Angeles, the San Gabriel Valley and beyond.

Ages: Day Program – 5-15
(as of 9/1/2018) Crew-in-Training Program – 5-15

Dates & Times: June 18 – August 17, 2018
